See how you could benefit from

Communications Hire

Long or Short Term communication solutions

Two-way radio utilises press-to-talk technology which provides instant communications over the air waves.

Businesses of all types use radio as a multi-task tool, which could enhance your team efficiency, productivity, safety and security, all of which could save you money.

- Hiring for Short Periods
- Instant Connection - no need to wait for call set up
- Talk to more than one person at a time
- Ease of use in a number of applications
- No call costs - you can talk for free

Our **Radio** and **Mobile Phone** Hire Service is extensively used within the following situations:

- Building Contractors
- Trade Show Exhibitions
- Music Festivals
- Transport
- Drains & Highways industries
- Off-site Working
- Special Events such as Bonfires, Concerts etc
