

Finding new ways to help our Customers . . .

Challenger

MOBILE COMMUNICATIONS LIMITED

bonusbond®
gift voucher

We want to give you a helping hand by turning contacts into gifts for you.

Mobiles for them . . . Vouchers for you

Challenger is rewarding its customers for referring other like-minded business customers to us. The more mobiles they connect with us, the more you benefit. For every mobile connection on O₂ referred to us by you we'll give you a very generous £15 worth of high street vouchers. For example if they take 20 mobiles, you'll get 20 x £15, that's £300 as a thank you from Challenger.

Free unlimited calls for your customers to O₂ & more free unlimited calls for you!

As you know, you enjoy the benefits of unlimited calls to anyone on O₂ plus unlimited calls to 10 nominated landline numbers. The more referrals you make the more of your contacts you can speak to for free & vice versa, it's a win win situation. The better connected you are, the more O₂ connections you'll help us make.
